CHARACTER TRAITS

ANALYSING CHARACTER TRAITS

Character traits are individual qualities or attributes that make up a person's overall character and can be seen in their **feelings, actions and thoughts**.

Analyse the traits of Iblees, use evidence to support your analysis, and explain how specific actions influence these traits.

Identify a key trait

Describe an action the individual takes and explain how this action reveals or affects their trait.

Find a quote or specific example from the text that shows this trait.
