

Nuh

BENEFITS OF THE STORY OF NUH

There are many lessons to be learnt from the stories of the Prophets, we should ponder and reflect on these in order to understand our beautiful religion and lessons learnt through these stories which Allah has told us in the Quran.

HERE ARE THE MAIN BENEFITS FROM THE STORY OF NUH

Always begin with Tawhid

The prophets had a complete level of sincerity

The mannerisms of giving dawah and requirement of precision. Nuh learnt the correct mannerisms and expressions to use with the people.

Nuh called his people: day and night, in private and in public

The importance of having knowledge, so you are able to clarify proofs and evidences

Knowing that the enemies of Allah, including that of his messengers have and will spread misconceptions.

Being coherent/following with what the Messengers came with is virtuous and a merit

Seeking aid from Allah is mandatory

Adhering to piety is a means and a way to achieve/gain worldly success, whether it be health, wealth or well being
