

Prophet Nuh

INTRODUCTION

THE FIRST MESSENGER

TIMELINE

ADAM

NUH/NOAH

SUMMARY

The generation between Adam عليه السلام and Nuh عليه السلام adhered to the belief in the oneness of Allah following the Sharee'ah.

However, over time, deviation from **MONOTHEISM** emerged and the spread of **SHIRK** accelerated.

Influenced by Shaytan's (Iblis/Satan) whispers and deception, Shaytan begins corrupting the people's belief by encouraging them to visit the graves of righteous individuals, constructing statues in remembrance of them and, subsequently worshipping them alongside Allah.

This ultimately leads to the the destruction of the people of Nuh.
